The Board of Directors dedicated Camp Lu-Jo KISMIF to the training of young people – spiritually, mentally, socially, and physically – in the example of Luke 2:52, “*And Jesus grew in wisdom and stature, and favor with God and men.*” Camp Lu-Jo KISMIF strives to attract young people who desire an environment of Bible teaching, proper dress, and Christian behavior. The camp was founded to serve the purpose of cultivating spirituality, decency, and Christian character.

## 2022 Camp Lu-Jo KISMIF Covid-19 Release of Liability

Camper Name \_\_\_\_\_ Date of Birth \_\_\_\_\_

To provide a safe environment to host camp sessions in 2022, the Camp Lu-Jo KISMIF Board of Directors have given comprehensive guidance to the session directors for diminishing the problem of Covid and its variances.

We are excited to host Camp Sessions at Lu-Jo this summer and fulfill our mission of sharing the Gospel! While we cannot guarantee Camp will be unaffected by pandemic problems during our Camp Sessions, we will provide as many guidelines as needed and will follow those considerations to the best of our abilities. We ask all parents and guardians to understand the challenges which arise from a camp setting for things such as: Social distancing, the wearing of masks, etc.

The following are some of the efforts that are instituted for the 2022 Camp Sessions:

- Facility preparation;
- Sanitization;
- Some limitation of visitors to create a safe “bubble” for campers;
- “Entrance” health questionnaires;
- Ongoing health monitoring;
- A quarantine dorm area if needed; &
- Outdoor activities.

The Board has given session directors and staff full confidence to conduct Camp Sessions in the Summer of 2022. (For further parameters from the Board, please contact your session director.) All session directors, staff, campers, their families, and potential visitors are expected to follow the Camp Board's guidelines for Camp to remain a safe place. Session directors and the Board will monitor changing circumstances and provide guidance to continue to diminish risks as sessions proceed.

**All Parents and Sponsors of Campers** are asked to comply with the following guidelines should they impact their camper situation:

- **Be ready to pick your camper up promptly to take home and/or seek medical attention should a sickness or some symptoms arise;**
- **Follow all set and announced protocols for indoor and outdoor activities at camp;**
- **Will communicate with the camp director and camp staff if the need arises for the removal of a camper during the week;**
- **Will be forthright in answering all health monitoring questions, even in regards to possible infection exposures;**
- **Will respect oneself and others regarding the sensitivity of current issues that may arise with keeping Camp Lu-Jo a “Covid prepared” environment.**

Therefore, based on your comfort level, we ask you to make the family decision to send your camper(s) to Camp Lu-Jo KISMIF this year. We will respect your decision. **By signing below, you agree to the statements above and agree to release Camp Lu-Jo KISMIF, all campers, and all staff members from and against any and all claims for damages and liability resulting from exposure to disease-causing organisms, such as COVID-19, COVID-19 variances, and contaminated objects, as well as personal contact associated with attending Camp Lu-Jo and being on its property.** We look forward to having campers at Camp Lu-Jo this summer! May God bless and be your family!!

I have read and understand the terms of this Release of Liability and agree to its terms:
